Dear Jack:

For your sake, stop making statements for television newsmen. Your statements are edited to make you look crude, or you are without a doubt the biggest ass of the century. Your statement on Hate Groups is an excellent example. How can you, a person in a blind rage of hate who deliberately gunned down a handcuffed man, lambast any hate group? If it is permissible for you to write, I would appreciate a reply.

I personally feel no malice toward you and will take this opportunity to wish you good luck.

Dear Uncle Jack,

Sorry I haven't written sooner, But I wanted to write when it would do the best for you spirit wise. Florence and the baby are fine and everything seems to be going along fairly well. Flo's dance studio is growing very well and I am working as a production assistant on the "Terry Mason Show" for CBS. Rommie is two and a half now and growing like a weed. We've enclosed a picture of her so look good in the envelope. she's very small.

I spent quite a bit of time with Earl when he was out here in Los Angeles. He was really putting in long hours and hard work. I don't know if he remembered to tell you, but your barber friends out here want to be remembered to you.

With all that has been going on and written and said in the last few months, a lot of memories have been brought back. There sure has been a lot of water under the bridge since Independence Boulevard.

I can tell by Mom's letters that she hasn't gotten over Dad's passing away yet. I have been trying to get her to move out here, but she won't give in. With the kind of winters back there you would think she was an eskimo. One of these days she'll give in.

Hollywood is still here and I am in the middle of the rat race. Once your in the film industry you stick with it and try to come across the one deal for a picture or television series that will put you on your way. Florence says if I had a nickel for every hour I've spent promoting a deal we could retire. I probably don't need to tell you that L.A. is growing by leaps and bounds and soon the city limits will be the outskirts of San Francisco.

1367

I don't think Melvin Belli will remember me, but we met when he was on a television show on CBS Los Angeles called "Viewpoint" with John Hart. I worked that show at the time.

Ellie and Jenny asked to be remembered to you. Of course they hope that everything will turn out all right. Well that's about all from the West at present. Keep your head about you and think before you answer. I'm sure everything will turn out all right if you work with Belli and keep your spirits up. Hope to see you out here soon, I know a great steak house and the dinner is on me.

Dear Mr. Ruby:

Since you appear to be receiving several copies of the Bible, I would like to suggest that these be placed in the various tanks at the County Jail. I know that many times Bibles in the tanks are torn and have some of the pages missing. This could be a valuable contribution to the prisoners in the months to come.

If I can assist in any way as you continue to discover new and remarkable experiences through the reading of a new version of the Holy Bible I would be pleased to do so. It is indeed remarkable how God has manifested Himself through Jesus Christ. We believe that this God-like-man best reveals the nature of God to mankind. May the Spirit lead you as you make some remarkable discoveries in faith.

and they changing for the better. We must not stay in the old concept of individualism. We must acknowledge that our government has a vital role in coordinating the efforts of the citizens and groups."

He said that the national aspect of the party which will meet in Ottawa in May will be asked by the Quebec group to make a special study of its structure. This was a direct allusion to the relationship which now exist between the provincial and the federal groups.

He announced that the QLP executive committee which met yesterday had decided to absorb the party's weekly paper, *La Raison*. It had been owned until now by a private group.

He also revealed that the next QLP convention which will meet in Montreal next Sept. 18-19-20 will have as its theme "The Youth of Quebec." Details would be announced later.

## Jury Finds Man's Death Justified

A coroner's jury ruled today a 14-year-old boy committed "justifiable homicide" in killing his father to avenge the latter's attack on his family early Saturday.

Coroner Marcel Trépan concluded with the verdict. He said it was appropriate in view of the fear that permeated the house as a result of the victim's "sadistic, morose tendencies."

Victim was Clément Dubreuil, 37. Evidence at the hearing today showed Dubreuil was inflicting severe punishment on his family when he was denied to sleep. The boy took a language whip from a closet and knocked his father down with a blow that cracked his head. Dubreuil got up again and went after the boy, who ran back to the stove and got a .38 calibre rifle. He shot his father four times in the chest.

**Best Daughter**  
Dubreuil ended a 40-day sentence at Montreal Jail seven months ago for what was described as "a vicious beating" of his 13-year-old daughter. He was testified at the hearing today that she had been arrested a number of times for assault and for non-support. "My life with him was 17 years of hell," she said.

The boy said his section recollections were of being thrown up in the air and bounced off the ceiling by his father.

"Several times," he swore, "my father poured my own household water in her crib, to make her stop crying."

The jury rendered its verdict without leaving the usual to the coroner.

the theft was carried out by the crew of 16 or 18 men. The thieves, they asserted, were youths of 17 and another of 18.

QPP sources state the method of investigation to date "is unsatisfactory to the QPP."

The RCMP, the Army Provost Corps and the Montreal Police Department's special anti-riot squad are also involved in the investigation.

Noranda police said they were of the opinion the theft was "a prank."

The robbery was at the memory of the 9th Field Squadron, Royal Canadian Engineers. Nine automatic rifles, machine guns and machine guns were taken. They were recovered some 100 miles away by a Noranda soldier, who found them hidden in a snowbank.

QPP spokesman said this afternoon the arms had been placed in damage bags before being hidden in the snowbank, which means it was possible the thieves hid them there until they could come back for them later.

The youths were arrested less than an hour after the arms were found. Police also recovered a number of snowshoes and compasses stolen from the army.

## Pinball Game Non-gambling

A pinball game should not be labelled as a gambling device, simply because it is difficult to win, the Quebec Court of Appeal ruled today.

Justice Paul Casey and Justice Bastien maintained the appeal of Rita Turpin against a conviction of operating a gaming house at 300 St. Clement street, in Saguenay, 1950. The alleged offence took place in December, 1949. Mr. Justice Antoine Rivest, a dissenting opinion, ruled that the appeal should be rejected.

The game in question, the judge said, was operated by a mechanical device. Mr. Justice Casey said: "What the prosecution has to establish is not merely as a probability but beyond a reasonable doubt that in the operation of this particular machine the skill and experience of the player was for all practical purposes, of little or no importance."

"It was not sufficient to show that the machine was a difficult one in which to score, or could the prosecution draw the deduction from the fact that some experts had played the machine a relatively small number of times and had failed to win."

Police Lieutenant Steve O'Leary and Miss Twiss's trial in Municipal Court the machine was a game of chance. He said that the electric trips and bumpers which sent the ball in

it says in the Bible "Do not take the word  
of God in vain" How can God help those who  
will not obey His commandments and defy His  
Law?

Man's ~~heart~~ <sup>heart</sup> can be broken, by changing  
but not God! Because God is all in  
all! He fills all space, He is all power,  
all truth, all life, and love! Forgiving  
love because He gave His only perfect Son  
to die for our sins.

Jesus was the man, Christ was the divine  
mind, spirit, the link which never  
departed from the Father God the Spirit!  
As long as the Jewish race will deny  
Jesus Christ as the one perfect Son of God  
and the Saviour of Humanity, so long  
will they live in darkness, and God  
will not be able to reach them, because  
they lost the divine guiding light that  
kept them in close contact with their  
God!

Jesus Christ is their only Hope of glory.  
He is the way, when one accepts His  
faith and follows His example we  
shall find new life, new peace, new  
hope. This is the reason why.

4.  
will to you, to help you, to find yourself  
to give you new hope.

The Jewish race are the first children of  
God, and they are still His perfect  
children, if they realize their mistakes.  
Like all humanity, they turned away  
from God, where they believed themselves  
to be devoted by false gods, meaning  
"we are happy in the wrong things which has  
no place in God."

The Bible is still the Best book in the  
faith, if we only read it meaning  
earnestly, and at least try our best  
to live to it.

So when the world was so spoiled,  
that many forgot God, as their Father, and  
ruined on - they brought upon themselves  
such a great trouble.

But because God is love forgiving love  
He want to save them, many He knew  
were sinners, but misguided in doing  
wrong, and there He want to save, so He  
caused Jesus Christ to be born, raising  
Him with His God - power to teach them  
new life, to give them new hope -

to guide them out of darkness!  
Believe me Mr. Raley this is true, if you  
study Jesus Christ's teaching and pray  
in faith, He will give you hope  
and lead you to have better life-  
since much everything seems impos-  
sible for you. "With God all things are  
possible."

I'm not writing this about your work  
out of criticism but out of hope that  
they awake to your Christ's guidance  
and accept Him as their Saviour.

The Old Testament is the past, the  
New Testament is of the new. —

"Be ye renewed in the spirit" Jesus  
said not because He was infested  
with His God giving power, but because  
He knew humankind was in need of  
fresh new ideas of their identity to  
God. They had to learn all over  
that life is eternal, and Man is created  
in the image and likeness of God!  
Himself! But man must work with God  
with His loving to find it out!  
God doesn't use force on His children.

they alone must be willing to accept  
Hyp and do as He says, in order to be  
in constant touch with Him.

All you need accepts to acknowledge  
to God, that you have sinned, do it  
in all sincerity within your heart,  
ask for forgiveness, and then go on living  
in hope, ask Christ divine mind, within  
you, to inspire and guide you. Place  
all your problems in God's hands!  
each day, pray, and then set your mind  
on some worthy plans for future.

Don't worry about what will happen to  
you, because what ever will happen  
will be for your own good. Resign  
yourself to meet any problem whatever  
you like it or not, as long as it is  
good, that God is offering new life  
for you, because He loves you —  
maybe you will have to do something  
new for your foolish deed, just meet  
each problem with courage and faith  
that it happened for your good!

Be humble, start criticizing your temp-  
erament and inhumanity, sometimes you

are a Son of God and an Heir to all  
His goods and believe that God has  
only good in store for you!

Learn your old life experiences to know  
you, you alone can change your life  
for the better, remember yesterday you  
were a child, you thought as a child -  
but today you're a man, and you start  
thinking like a man, you will grow  
stronger and better each day.  
Don't take God in vain and He will  
help you.

We can fool ourselves and others -  
but we can't fool God, He knows all  
and revealing how true we are, shall  
we receive our rewards.

I'm reading some literature, which may  
help you if you will read it.

It's true, I know, I too was born in poverty  
and my father wasn't full of love, I found  
out that I didn't had to live like my neighbors  
who might not always followed the golden  
rule, but I didn't lack to do anything did  
my self respect and humble dignity, now  
I want to stay on the old tried and true  
golden rule to make others as you

would do unto yourself  
 no Mr. Ruby, I do not agree of women  
 stripping and enticing men to false ex-  
 treme, not when I was young and pretty,  
 and not even now- that I'm old. I would  
 seem more like that. I'd rather scrub  
 floors for someone and keep my self  
 perfect, to be honest with yourself is not  
 so easy, facing the worldly temptations.  
 but it pays great dividend in peace  
 of mind! I don't have to look into  
 a mirror and be ashamed to look  
 myself in the face.

Don't be a party to the old life you had  
 you have good heart and good inten-  
 tions, turn to God and He will guide  
 you to make a living by better means.  
 I do not condemn these women in strip-  
 teasing, I feel sorry for them that they  
 allow themselves to degrade their God  
 given body for false lust of misguided  
 souls.

Wishing you a new life new change
